

# Accelerate your incentive and recognition efforts.

**PerformX® provides everything you need to efficiently set up and operate incentive or recognition programs that help build a high-performing team — and your business.**

## Informed, engaged teams are high-performing teams.

One10 specializes in helping you build top performers. PerformX is designed to sit at the center of your incentive and recognition programs to maximize success. We help you:

**Inform** — Ensure that your team members are motivated for success.

**Engage** — Align business objectives and core values with desired behaviors.

**Reward** — Consider a full spectrum of award options — including travel, merchandise or charitable giving.

**Evaluate** — Use data to analyze results, develop insights and adapt program strategies. Easy to use dashboards that facilitate continuous improvement.

## Features that bring real value.

*\*Add-on to the standard packages*

## PerformX: Your business challenges, answered.

PerformX is an easy-to-use technology solution that helps you amplify your business results.

It's more configurable than many off-the-shelf platforms and more cost-efficient than a custom solution.

### Specific packaging for your specific goals

#### PerformX Engagement

Engage your workforce, recognize employees and reinforce core business objectives.

#### PerformX Incentive

Motivate top producers, run sales promotions and measure incremental sales growth by team, product line, employee and more.

#### PerformX Enterprise

Customized solution with unique requirements and processes.

## Built for your business needs.

**Brandable** — Make it yours! The platform can be quickly configured to reflect your brand image.

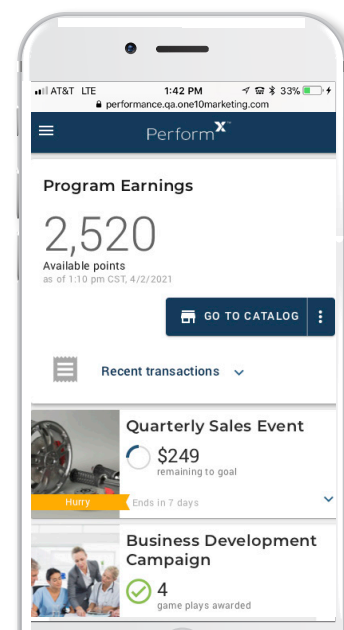

**Easy-to-Use** — Participant and administrator interfaces are highly intuitive and straightforward.

**Mobile-First UI** — Your programs are accessible 24/7 and your team can access information on any device.

**Graphical Reports** — Administrators can easily access actionable reports. Or you may consider adding analytics expertise to maximize program success.

**Flexible** — Build your programs the way you want them, with configurable rules, structures and communications, as well as your choice of award options.

**Security Compliant** — Our technology is secure and updated often to provide the best user experience.

## At One10, we believe in better.

Success begins when you embrace the exceptional impact even ONE engaged stakeholder can have on your business. Let us take you there.
